Dear Marians,

Greetings from the Principal!

“The righteous will live by faith.” **Romans 1:17**

St. Mary's College (Autonomous), the first autonomous college in Thoothukudi, progresses ahead in the arena of education over seven decades attaining notable accolades in every discipline. The academic activities of all disciplines match with the global scenarios through efficient teaching and effective learning while equally focussing on imparting a confident and competent generational shift in the first generation student community which forms a majority.

We cherish this academic year 2021-2022 as the Year of Faith, for *faith makes life acceptable with our inner strength, stability and insight*. We have risen above the devastating catastrophic health skirmishes much because of our strong inner faith and wisdom.

In this period of uncertainty, with online mode of instruction replacing the on-site face to face class room interactions, we, the Marians, attempt to impart the best to the students both in the academic as well as non-academic fields so that the students are evolved and moulded into ideal and fit individuals strong and capable of facing the challenges and demands of the society and business outside.

We are created to be victorious. Let the seeds of courage sprout in the soil of St. Mary's. The ample opportunities to learn beyond the confines of a classroom through NPTEL, SWAYAM and other online platforms and our Centres of Excellence groom you as self-directed, responsible decision-makers. *Have faith in yourselves and focus on your target.*

COLLEGE MORNING PRAYER

Almighty God, our loving Father, we love you with our whole hearts and above all things. We offer to you all our thoughts and actions, and ask you to bless us during this day / week. Help us, so that we may always know, love and serve you, and be eternally happy with you in Heaven.

O God, who are the truth and the origin of all knowledge, bless our studies which we consecrate to you. Enlighten our minds, strengthen our memories and direct our wills towards what is right. Grant us, to seek truth always and make us truly wise.

PRAYER BEFORE CLASS

Our father, who art in Heaven, hallowed be thy name. Thy kingdom come. Thy will be done, on earth, as it is in Heaven. Give us this day our daily bread. Forgive us our trespassers, as we forgive those who trespass against us, lead us not into temptation. But deliver us from evil.

COLLEGE ANTHEM

The bells of St. Mary's
How sweetly they're calling
Awaking all brightness
And laughter and cheer!
While we tune our voices
In praise of St. Mary's
As loyal true to white and blue
We'll e'er remain

The bells of St. Mary's are calling today
They tell of sweet memories and friendship so gay
They tell of the efforts and victories grand
Of our beloved Alma Mater's scholarly stand.

The bells of St. Mary's they chime forth our joy
Our love and our loyalty without alloy
With Mary our Mother still guiding our youth,
In fair paths of Virtue and Honour and Truth.

College Emblem

The emblem of St. Mary's College with the motto "FIDE VIVANT" (Live by Faith) signifies the purpose of Catholic Education. The burning torch and the map of our country on the sinister side imply that the power of knowledge imparted in our institution is a Nation building exercise. The open book and the star on the dexter side are symbolic of our aim to elevate the position of women as agents of social justice and gender equality through education. The central logo is the symbol of the Congregation of Mother of Sorrows, Servants of Mary with their vision and mission of compassionate education.

MARIAN VISION AND MISSION

VISION

To make young women agents of an egalitarian society through liberative education.

MISSION

To empower women through regular and non-formal programmes to make them economically independent and socially aware so that they make better homes and contribute to family and social progress.

FOUNDATION AND ROOTS OF THE COLLEGE

The Congregation of Mother of Sorrows, Servants of Mary (Servite Sisters), an indigenous Women's Congregation founded in 1854 at Tiruchirappalli, Tamil Nadu. The congregation has spread in North and South India, Myanmar, Italy, Philippines and Australia with 950 sisters working in 170 communities. The Servites render their service in schools, colleges, social service centres, hospitals, dispensaries, schools for visually challenged and hearing impaired and mission stations.

St. Mary's College, a Catholic Institution of Higher Education for Women, run by the Servite Sisters was founded in 1948, by the joint efforts of Msgr. Francis Tiburtius Roche, S.J (Bishop of Thoothukudi), Fr. B.S. Soosainathar (Former Manager of the College) and the Servite Superiors to provide education for women, especially, the marginalized women of the coastal region. With a rich academic and spiritual heritage as a Christian Minority Institution the college has made its mark in empowering women in their march towards excellence and liberation for the past seven decades right from its inception.

Affiliated to Manonmaniam Sundaranar University, the college offers Graduate, Post Graduate, M.Phil. and Ph.D. programmes. Besides academics, the college aims at the integral development of students, especially in spiritual, social and civic values.

The college attained autonomous status in 2009. Satisfied with the good academic and administrative performance of the college, the Autonomy Renewal Committee renewed and extended the status upto 2021.

The various co-curricular and extra-curricular activities of the college support and complement the academic programme. They provide opportunities to create a rapport with the society and also serve as appropriate platforms for the students to exhibit their talents and potential. It is mandatory for all UG students to opt any one of the co-curricular activities during the first two years of their study. The students earn one credit for the activity.

NSS

There are four N.S.S. units with 100 students in each unit. Through this scheme, the students get an exposure to the stark realities of societal life and are made to realise their responsibilities towards the society. They have annual camps during which their service for the people in the rural area educates them and benefits the society as well.

NCC

The NCC wing functions to instil in the young minds discipline and a happy sense of belonging to the country. They train themselves to take up the 'B' and 'C' certificate examinations and get the honour of taking part in the Republic Day parade occasionally. By attending various camps held at Inter-State level, the students get a wide exposure and gain a healthy expansion of their horizon and contacts.

SPORTS & GAMES

Our college gives importance to sports and games. Our teams have always excelled in athletics and various games. We have secured and retained MS University Women's Zone overall shield for 28 times and consequently the Championship title. Our students participate in inter-collegiate tournaments held at the University, District and State levels. The candidates with distinctions in various games and athletics are given special consideration during admissions. A gymnasium has been set up for the benefit of students and staff members.

EXTRA - CURRICULAR ACTIVITIES

The College offers various art forms to its young women enabling them to excel in the global sphere of education and employment. The varied skills foster an all round personality development. The awareness programmes regulate the students with the moral code of conduct, in accordance with their belief system and vision of life.

Specific objectives

- To train students in rational thinking and decision making and to develop their potential.
- To encourage students' involvement in institutional affairs.
- To create a platform for the new entrants to exhibit their talents, thereby establishing camaraderie with their seniors
- To promote art and art consciousness through activities that will also serve as channels for expressing themselves, their ideas, spirit and faith.
