DEPARTMENT OF PSYCHOLOGY – IIC MEETING REPORT

START UP PROGRAM

Objective:

Title : Choose your career or Make your career

Date : 12.03.2021

Resource person : Dr. P. Thamilselvan

Asst. Prof., Psychology Dept, PSGCAS

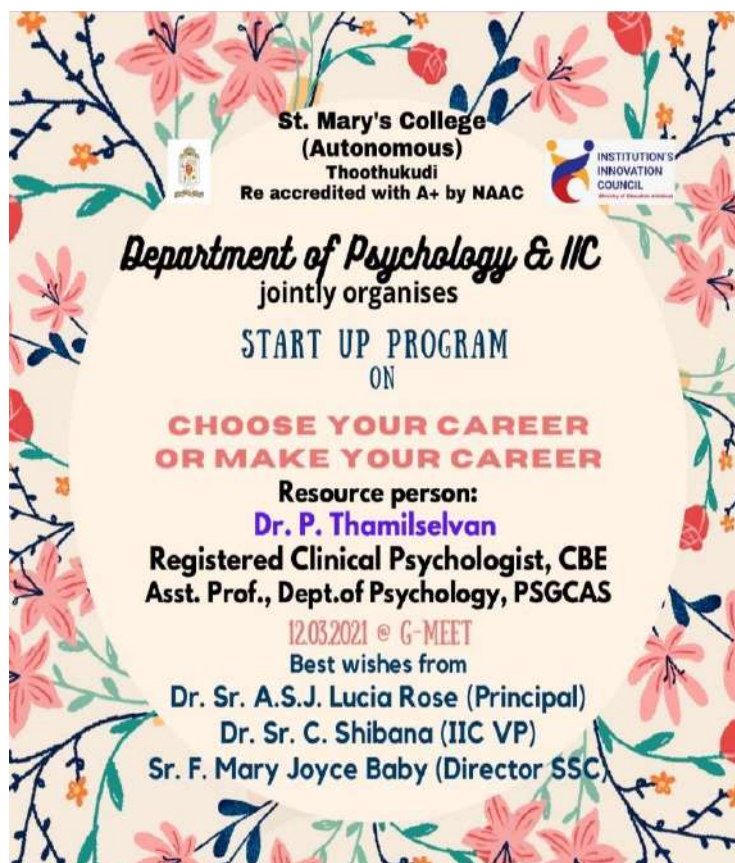

Registered Clinical Psychologist, CBE

Students, when they graduate, always have this question in mind – “What next?” To remove that fear and create confidence among the students of the Psychology Department, this start up program was organized by the Psychology department in association with IIC ON 12.3.2021 at 2.30pm to help them gain an idea as to what they can do to earn a living after graduation and become economically independent. The resource person was Dr. P. Thamilselvan, Asst. Prof., Department of Psychology, PSGCAS who is also a registered Clinical Psychologist in Coimbatore. He enlightened the students on the various opportunities that are available to them and he also suggested methods to get themselves ready which was very useful to the students. The students made the best use of the opportunity by raising a lot of questions and clarifying their doubts. On the whole, it was an interactive and lively session.

Benefits:

The meeting was very useful and served its purpose by creating an awareness and clear idea as to how to proceed after their graduation. It has truly sowed confidence among the III UG students and a foresight among the I & II UG students as to how they should keep themselves prepared to become economically independent even after securing a UG degree. Besides just mentioning the opportunities, the resource person also beautifully explained the students how to get themselves ready to face the society which was very useful.

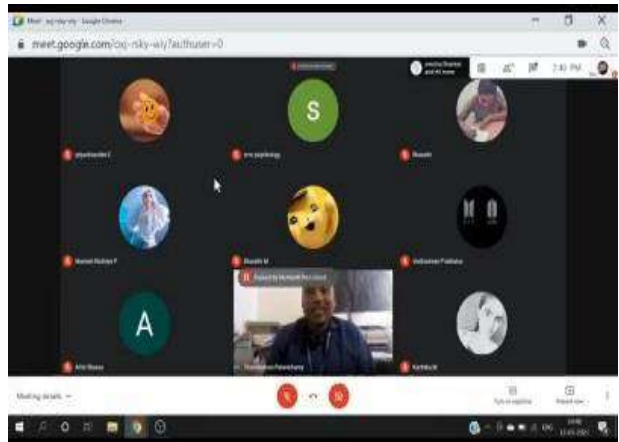

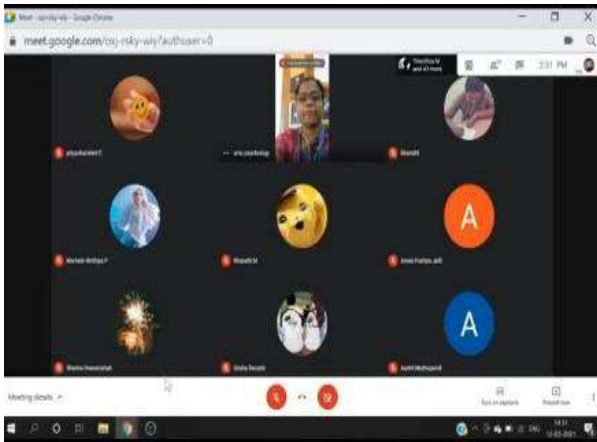

Brochure:

IIC Meeting report:

In association with IIC, the Department of Psychology organized a Start Up Program on 12.03.2021 in Google Meet Platform for the department students. The resource person of the meeting titled “Choose a career or Make a career” was Dr. P. Thamilselvan, Asst. Prof., Department of Psychology, PSGCAS, Coimbatore. He enlightened the students on the various ways to become economically independent even after graduating from a UG Degree. Dr. S. Jeya Bharathi, Coordinator, Department of Psychology welcomed and introduced the resource person while Ms. M. Yuvabala, Asst. Prof., Department of Psychology delivered the Vote of Thanks. Sixty seven students from all the 3 years were the participants. Their enthusiastic participation made the meeting a lively, interactive, effective and useful one.

Problems solving ppt - Microsoft PowerPoint

The Basic process of problem solving:

1. Select a problem and write it down.
2. Trace "upwards" to figure out the business consequences, the "visible damage" that your problem is causing.
3. Trace "downwards" to find the root cause (or causes).
4. Identify and highlight vicious cycles (circular paths).
5. Iterate the above steps a few times to refine and clarify your diagram.
6. Decide which root causes to address and how (i.e. which counter measures to implement).
7. Follow up and see if it worked. If not, try again.

Webinar report

The Department of Human Resource Management in collaboration with Institution's Innovation Council conducted a webinar on 'Entrepreneurship Development Phases' on 21.12.2020 at 2.30 p.m. through Google meet.

The Webinar commenced with the Prayer song, followed by the welcome address. The Speaker of the session Mr. Danush Mathan B. Tech, M.B.A, Director of Kavins Techno pack Pvt.Ltd. shared his innovative ideas on Entrepreneurship Development Phases.

Some of the key highlights were the phases as to Identify the problem, comingup with various solutions to a problem, Creating Innovative ideas and Building Solution to a product or service.

Solution comprises of the following steps, as to address mass crowd, to be financially feasible, to be operationally feasible and technologically feasible. He also said that the entrepreneurs should have excessive knowledge and skills, they should be self-motivated and very innovative. Innovation in entrepreneurship means creating new products and technology etc. He concluded his talk by revisiting the concepts again by stating that the entrepreneurship development phases start with a problem and it ends with a product.

The feedback session was conducted, followed by the vote of thanks. The meeting came to an end with college anthem.

Innovation Ecosystem

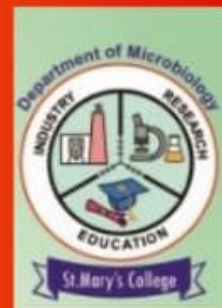

The diagram illustrates the Innovation Ecosystem as a vertical progression of four stages, each with an icon and a corresponding description in a thought bubble:

- Big Idea** (Lightbulb icon): Novel solutions to challenges or problems
- Incubation** (Chicken icon): Providing workspace, seed funding, mentoring and training
- Start-up** (Shopping cart icon): Young company founded by one
- Entrepreneur** (Person running icon): Design, launch and run a new business

Webinar Title: Design Thinking and the teaching of English

Date: 22.12.2020

Speaker : Dr. Nishevitha Jayendran, Assistant Professor (English Language and Literature)
Centre for Education, Innovation and Action Research, Tata Institute of Social Studies.

Participants: 157

Link : <https://youtu.be/vxLLD0X3F78>

Report :

The department of English (SSC), in association with the Institution's Innovation Cell (IIC), conducted a webinar on "Design Thinking and the Teaching of English" on 22nd December, 2020. Dr. Nishevitha Jayendran, Assistant Professor (English Language and Literature) at the Centre for Education, Innovation and Action Research, Tata Institute of Social Studies, Mumbai was the resource person. The speaker gave a deep insight on how to gain practical and actionable discernment to identify design thinking as a core strategic capability for leading sustainable innovation and learning transformation. During the prototyping stage, we have the opportunity to put our solutions into practice. She instructed to set up a virtual classroom to increase collaboration. The aim is to assess whether these new content delivery and teaching methods are achieving the desired results. Prototyping will provide the insights needed to iterate and improve a proposed learning solution ahead of more structured testing.

Hybrid Solar Cells

Hybrid solar cells combine organic and inorganic materials with the aim of utilising the low cost cell production of organic photovoltaics (OPV) as well as obtaining other advantages, such as tuneable absorption spectra, from the inorganic component.

SMALL BUSINESS (START-UP) IDEAS BASED ON SOLAR CELL RESEARCH

Organised by
Department of Physics
St. Mary's College (Autonomous),
 Re-accredited by NAAC with 'A+' Grade
 Thoothukudi - 628001.

**INSTITUTION'S INNOVATION
 COUNCIL**
 (Ministry of HRD Initiative)

CERTIFICATE OF PARTICIPATION

Ms. MARY MIRACULIN
 II B. Sc Physics
 St. Mary's College (Autonomous), Thoothukudi

has successfully completed the **SMALL BUSINESS (START-UP) IDEAS BASED ON
 SOLAR CELL RESEARCH** organised on 12.03.2021 by Department of Physics,
 St. Mary's College (Autonomous), Thoothukudi, Tamilnadu, India.

Dr. Sr. A. Arockia Jenecius Alphonse
 DBT - Overall Coordinator

Dr. Sr. Jessie Fernando
 Convenor

Dr. Sr. A. S. J. Lucia Rose
 Principal

➤ **Report**

The Institution's Innovation Council and The Department of Physics, St. Mary's College (Autonomous), Thoothukudi, both UG and PG, organized an innovative talk on the topic, '**SMALL BUSINESS (START-UP) IDEAS BASED ON SOLAR CELL RESEARCH**' on 12th March 2021 through Google platform at 2.30 pm. Dr. J. Merline Shyla, Dean of Sciences and Director-LIFE, Department of Physics, Loyola College, Chennai was the guest speaker. Ms. Rachel of II B.Sc Physics welcomed the speaker and Ms. Rohini, IIC student member proposed the vote of thanks. Around 97 students, both UG and PG and 10 faculty members were benefited by this programme. The Students gained more knowledge about photovoltaic technology and types of solar cell. She gave start-up ideas in solar cell products and services. She also kindled the solar research which is concealed within students. The programme was well organized by the IIC members Dr. M. Sheeba, Ms. P. Dhanalakshmi, Ms. P. Padmavathi, Dr. A. Nirmala Shirley and IIC student members Ms. S. Triffilla Missier, Ms. Jaisala and Ms. Rohini under the guidance of Dr. Sr. C. Shibana Deputy principal and IIC Vice President.

➤ Report

The Institution's Innovation Council and The Department of Physics, St.Mary's College (Autonomous), Thoothukudi organized an innovative talk on the topic, '**DESIGN THINKING**' on 23rd December 2020 through Google platform at 3pm. Dr. K. Mohanraj, Assistant Professor and IIC President of Manonmaniam Sundaranar University, Tirunelveli was the guest speaker. Dr. Sr. Jessie Fernando, Head of the Department of Physics, welcomed the speaker and Ms. Shakthi of II B.Sc Physics proposed the vote of thanks. Around 91 students, both UG and PG and 10 faculty members were benefited by this programme. The students came to know about Design thinking, which is an iterative process which seeks to understand the user, the challenges faced by the user and the ways to redefine the problem. It provided a solution-based approach to solving problems. It paved way for the students to think and work on the basis of hands-on-methods. Students also came to know the latest advancements in the generation of Solar Cells, Single Junction Silicon cells, Thin Film Cells and Multi Junction Cells and their efficiencies. The programme was well organized by the IIC members Dr. M. Sheeba, Ms. P. Dhanalakshmi, Ms. P. Padmavathi, Ms. A. Nirmala Shirley and IIC student members Ms. S. Triffilla Missier, Ms. Jaisala and Ms. Rohini under the guidance of Dr. Sr. C.Shibana Deputy principal and IIC Vice President. A total number of 90 students participated.
