

CRITERION III - RESEARCH, INNOVATION AND EXTENSION

3.4 Research Publications and Awards

3.4.1 The Institution ensures implementation of its stated Code of Ethics for research. The institution has a stated Code for research and implementation of which is ensured through the following:

Minutes of the Research Forum 2021- 2022

Date: 10- 7-2021

The meeting was held on 10th July 2021. The research co-ordinator Dr. P.J. Joslin led the meeting. The members of the research advisory committee discussed the hosting of the international webinar

Agenda

1. To instill a culture of rigorous and systematic research methodologies within the scientific community.
2. To equip researchers with the essential knowledge and skills required to design, execute, and analyze research projects effectively.
3. To facilitate interdisciplinary collaboration among researchers from different fields of study

Action Taken

An international webinar on 'Systematic research Methodology-A transformative Tool for scientific Research' was conducted on 21st July 2021

ORGANIZING COMMITTEE:
Dr. P.J.Joslin, Research Coordinator
Dr. K. Vinitha, Librarian
Dr. G. Anala Jothi Grace, Assistant Professor of Chemistry
Dr. V. Sounmya, Assistant Professor of Botany
Dr. R. Sri priya, Assistant Professor of Zoology
Dr. A. Saleth Mary Vetrisevi, Assistant Professor of Commerce
Dr. D. Vinoba Gladis, Assistant Professor of History
Dr. S. Bulandor Regi, Assistant Professor of Commerce
Dr. Anburest Rodrigo, Assistant Professor of Mathematics
Dr. A. Sudha, Assistant Professor of Economics

Report

The Marian Research forum organized an international webinar on 'Systematic research Methodology-A transformative Tool for Scientific Research' on 22.07.2021 in the Zoom Meet Platform. The webinar has been conducted for the benefit of research scholars and faculty members who are engaged in active research. Dr P. Ravichandran, PhD (Ed), PhD (IT), Binary University, Malaysia, was the resource person. Dr. K. Vinitha, Librarian, St. Mary's College, delivered the welcome address and introduced the resource person. Dr P.J. Joslin, the Research coordinator presented the introductory note, wherein she explained the scope of the webinar. The webinar has focused on the methodologies of research. The resource person has emphasized the importance of research methodology, the tool for upgrading the research ability of faculty and research scholars. He has given an overview of data collection methods. He has explicated the methodologies for research data analysis. The session was very interactive with on-the-spot quizzes. The research person clarified doubts raised by the participants. He shared his valuable research ideas with the participants at the end of the webinar. Nearly 422 participants from various states (Assam, Uttar Pradesh, Gujarat, Delhi, Madhya Radhesh, Himachal Pradesh, Bihar, Puducherry, Sikkim and Goa) across the country and outside the country (Oman, Malaysia) participated in the webinar. Dr. S. Bulomine Regi, Assistant Professor, Department of Commerce proposed the vote of thanks.

Minutes of the Research Forum Meeting

Date: 4- 10- 2021

On the 4th of October, 2021, Dr. P.J. Joslin, the research coordinator, led the meeting. The members of the Research Advisory Committee actively participated in a productive discussion concerning the planning and execution of the upcoming Marian Quest' journal releasing ceremony

Agenda

1. To provide researchers with practical strategies for conducting impactful research and effectively sharing their findings through publications.
2. To demystify the publication process for both emerging and experienced researchers.
3. To acquire knowledge for venturing into new research endeavors.

Action Taken

The Marian Research Forum hosted the release event for the bi-annual multidisciplinary journal, 'Marian Quest', on November 2nd, 2021.

Report

Marian Research Forum has organized the journal releasing ceremony of the Bi-annual Multidisciplinary Journal the 'Marian Quest' on 2nd November 2021. Dr. Sr. A.S.J. Lucia Rose, Principal felicitated the event. Dr. P.J.Joslin, the research coordinator extended a warm welcome to all participants and introduced the distinguished resource person. The journal 'Marian Quest' was released by Dr. M. Tamilselvi, Associate Professor of Zoology, Dean of Research and Co-ordinator of DBT Star College Scheme, V.V.Vanniaperumal College for Women, Virudhunagar. The first copy was received by the Principal. In recognition of their remarkable contributions, faculty members and Research Scholars, who have made significant publications in Scopus/ WoS indexed journals, along with those who have undertaken research consultancies through the Marian Research Forum, were lauded with a token of appreciation and a cash award of Rs 500. Dr. M. Tamilselvi, the esteemed chief guest, illuminated the gathering with her lecture on "Strategy for promoting Re(search) and publications". She underscored the vital role of multidisciplinary research in today's world and emphasized the significance of publications. The audience, comprising Research Guides, Heads of Departments, Research Scholars, and Postgraduate students from various research departments, greatly benefitted from her insightful address.

Minutes of the Research Forum Meeting

Date : 6- 12- 2021

Under the guidance of Dr. P.J. Joslin, the research coordinator, the meeting convened on 6th, December 2021. The members of the Research Advisory Committee actively participated in a productive discussion concerning the planning and execution of the upcoming workshop

Agenda

1. To equip participants with the skills and knowledge necessary to develop high-quality research proposals.
2. To provide participants with practical insights and strategies for navigating the complex process of academic publishing.
3. To highlight the crucial aspect of conducting research with integrity and rigor.

Action Taken

Marian Research Forum and St. Mary's Mathematical Research Forum jointly organized a workshop on Quality Research Proposal and Publication on 17th December, 2021

Report

Marian Research Forum and St. Mary's Mathematical Research Forum jointly organized a workshop on Quality Research Proposal and Publication on 17th December, 2021. Dr. V.L. Stella Arpudha Mary, Assistant Professor of Mathematics welcomed the gathering. Dr. Selvam, Assistant Professor of Geology, V. O. Chidambaram College, Thoothukudi was the chief guest. In his address, the chief Guest emphasized the critical role of publication in an individual's academic journey. He elucidated how publishing in esteemed journals like SCI, HSCI, and ESCI can significantly enhance one's academic profile. Dr. Selvam also urged newcomers to cultivate the habit of extensive reading, and subsequently, transform their knowledge into insightful review papers. He concluded by encouraging scholars to foster originality and innovation in their research endeavors, ultimately paving the way to becoming exemplary researchers. The workshop catered to a diverse audience including Research Guides, Heads of Departments, Research Scholars, and Postgraduate students from various research departments, all of whom benefited greatly from the chief Guest's valuable insights. Dr. R. Mary Shanthi, Assistant Professor of Botany, delivered the vote of thanks.

Minutes of the Research Forum Meeting

Date: 22- 2- 2022

The research coordinator, Dr. P.J. Joslin led the meeting on 22nd February , 2022. The members of the Research Advisory Committee engaged in a fruitful discussion regarding the planning and execution of the upcoming international webinar under her guidance.

Agenda

1. To enhance the understanding of intellectual property (IP) rights and their significance in the realm of scientific research.
2. To equip researchers with practical strategies for navigating the complex landscape of intellectual property.
3. To empower researchers to make informed decisions about their innovations and creations.
4. To highlight the role of intellectual property in driving innovation and facilitating knowledge transfer

Action Taken

An International Webinar on Importance of IP in Scientific Research - An Overview was conducted on 1st March 2022.

Report

Marian Research Forum organized an International Webinar on Importance of IP in Scientific Research - An Overview on 1st March 2022. Dr. Sreeram Krishnan, Sr. Manager, Scientific Affairs/IP Management, Sabinsa Corporation, Toronto, Ontario, Canada was the resource person. Dr. P. J. Joslin, Research Coordinator welcomed the gathering. Dr. Sr. S. Kulandai Therese, Deputy Principal & Assistant Professor of Mathematics gave Felicitation address. Dr. Sreeram Krishnan shed light on the paramount importance of patents and inventions in the realm of scientific research. His presentation sparked an engaging discussion, with participants actively posing various questions, leading to a fruitful exchange of ideas. The session concluded with a gracious vote of thanks from Dr. R. Mary Shanthi, Assistant Professor of Botany. It is worth noting that 370 participants reaped the benefits of this informative webinar, gaining valuable insights into the significance of Intellectual Property in the context of scientific research.
