National Seminar On Scientific Publication and Evaluation : Reference tools, Citation Analysis and Plagiarism 3 February, 2020 (Monday) 	
Organized by St. Mary's College (Autonomous) Tiruvelukkai, Tamil Nadu Dept. of Library and Library Committee & Research Forum In Technical Collaboration with SALIS (Tiruvelukkai Chapter) (Society for the Advancement of Library and Information Science)	
Venue: Pearl Conference Hall, St. Mary's College (Autonomous), Tiruvelukkai - 628001	
About the College St. Mary's College (Autonomous), Tiruvelukkai is one of the leading Educational Institutions in Tamil Nadu, plays a significant role in shaping the destiny of innumerable young women in and around Tiruvelukkai. The college offers various courses with excellent infrastructure and competent faculty. The holistic formation provided at the Marian grounds helps to enrich the students' selves, an empowered women to the communities they go to serve. This college is affiliated to Manonmaniam Sundaranar University, Tiruvelukkai attained the Autonomous status in the year 2009. Re-accredited with 'A' grade in the 4th Cycle during the year 2019.	
About the Library Library works with the Mission: To Facilitate Contemporary Needs of the Library User with Information Resources in the Digital Era. Library- Gate way to knowledge has ample collection of around 49,000 Books, and EJ Periodicals to enrich and empower knowledge to the user community. SMC Library is fully automated using 'MODERNLIB' Library Software and bar-coded for easy transaction. CCTV with 16 port camera's are affixed at various points in the library and a LED monitor with DVR is fixed at the lobby of the library for security purpose. Biometric Gate Register and Digital Gate Register has been fixed at the lobby of the library. WI-FI enabled Library is the added highlight of SMC Library. Air Conditioned digital wing INFLIBNET Centre in the Library is equipped with Broad Band Internet facility.	
About the Research forum Marian Research Forum is an innovative forum of researchers who have successfully completed their doctoral degree and who are currently pursuing their doctoral research at the college. It is joined venture of academicians and research scholars of our college, whose primary concern is to bridge the widening gap between R & D and academics.	
The forum organizes National level Seminars, Workshops and Conferences to enlighten the students on High technology and scientific thought, special lectures on contemporary research, Inter-collegiate competitions in key areas. The forum also gives way for students to showcase their research talents, communication skill in the knowledge based society. Knowing the fact that Library stands as the 'Gate way to knowledge' for Teaching, Research, Innovative ideas, creativity, inquiry and Research, forum focuses on inculcating the habit of research and enhancing research within the campus.	
About SALIS SALIS is a registered Professional body actively involved in the development of various spheres (LIS) by organizing various programs such as conferences, workshops and seminars on emerging areas in the various parts of the country through chapters located at the regions. The main focus of SALIS is to "Reach the Unreached". One of the main objectives of SALIS is to train the LIS professionals in the country to handle the latest IT tools and techniques more effectively and also to understand and adopt the best practices to give high quality services to the users.	
About the Seminar Academic standards are the benchmarks of quality and excellence particularly in Higher Education. Transparency in every academic activity should be the motto of each academician. Researchers publish their research findings mainly in the form of articles / papers in scientific and technical journals. Scientific papers are considered as an important indicator to measure the research output / performance of an individual, institution and also a country. This indicator directly linked to the career of an individual researcher and also an institution for getting funds, recognition etc. "Publish or Perish" is the order of the day. There are several tasks involved in the process of publication such as contents of scientific paper, referencing styles and tools, citation databases, Publishing ethics and plagiarism, choosing right journal, Impact Factor and H-Index etc. The National Seminar will provide a platform to the participants to discuss all the above said challenges.	
Topics to be Covered <ul style="list-style-type: none"> • Publishing Ethics and Plagiarism • Academic Research Indicators and Predatory Journal • Citation Analysis of Published work(Impact Factor, H-index, Google Scholar etc.) • Citation Databases – Web of Science, Scopus, Google Scholar • Manuscript Reference Management Tools • Increasing visibility of published work
