

## **4.3.1.** Institution frequently updates its IT facilities and provides sufficient band width for internet connection

## **ERP Interface**

SMC ERP portal organizes, monitors, and simplifies the administrative procedures and closes a critical communication gap between administrators, teachers and students. The ERP portal is a centralized system which manages all the operations of the college like student admission, academics, timetable, online registration, online fee collection, feedback, online quiz, grievance, payroll, grievance, library, SMS and Email.
