## **Report of the Certificate Course 2020-2021**

### **Department of English (SSC)**

### **III B.A. English Literature**

### **English Proficiency for Competitive Exams**

The English Proficiency for Competitive Exams prepares the students to enhance the knowledge and skills of their subject and its implementation in their career. The course is scheduled for thirty hours. The syllabus is divided into five units.

The class commenced on 14<sup>th</sup> December, 2020, there were a total of 54 students from III B.A. English Literature who participated in this programme. The final class was on 25<sup>th</sup> February, 2021.

The class was conducted on working days in the afternoon for one hour. During the classes the instructor (Ms. M. Rufina Mary M.A, M. Phil., NET) created awareness to the students about the various job availabilities. The students shared their opinions and discussions were made on their queries.

The exam was conducted based upon their syllabus to test the knowledge gained by the students. The students performed well in the exams and certificates were issued according to their Grade levels and percentage of their attendance. At the end of the course, we received a positive feedback.

**ABOUT THE COLLEGE**

St. Mary's college (Autonomous), a catholic institution of higher education for women founded in 1948, plays a significant role in shaping the destiny of innumerable young coastal women in and around Thoothukudi. With a proud legacy of 77 years, the college has excelled in every discipline keeping in pace with the global trends in the academics. The college, affiliated to Manonmaniam Sundaranar University, Tirunelveli, offers graduate, post-graduate, M.Phil. and Ph.D., programmes in various disciplines and has attained Autonomous Status in the year 2009. Recognizing the great potential within the campus, the NAAC has reaccredited the institution with 'A+' grade in its fourth cycle. A holistic education with an overall personality development is ensured by involving students in academic, cultural and co-curricular activities. The motto of the college is FIDE VIVANT (Live by Faith).

**ABOUT DBT STAR COLLEGE SCHEME**

Star College Scheme has been initiated by Department of Biotechnology (DBT) in 2008 to support colleges and universities offering undergraduate education to improve science teaching across the country. DBT identifies colleges with ambition and potential for excellence and provide academic and physical infrastructure for achieving excellence in teaching and unique exposure of students to experimental science. Department has supported around 200 undergraduate colleges across the country in the past 9 years. Star College scheme was sanctioned in March 2019. Four departments of the college namely Physics, Chemistry, Botany and Zoology have been recommended by the Department of Biotechnology (DBT), Ministry of Science & Technology, Government of India, New Delhi, to receive financial assistance under the Star College Scheme.

**Programme Schedule**

**Session I** (10.00 a.m. – 11 a.m.)

There were three sessions in the Webinar. Dr. P. Shanmugavadivu, Professor and Head, Department of Computer Science and Applications, Gandhigram Rural Institute, Gandhigram, Tamil Nadu. Was the resource person for session I. She delivered a lecture on "Machine Learning Applications in Biology". Dr. A. Amali Asha, Assistant Professor, Department of Computer Science, Loyola College, Chennai, Tamil Nadu was the resource person for session II. She delivered a lecture on "Swarm Intelligence". Third session was handled by Dr. U. Mary, Head and Associate Professor, Department of Mathematics, Nirmala College, Coimbatore, Tamil Nadu. She elucidated the participants about "Application of graph theory in drug discovery through Nano particles".

More than 500 students and staff members from various colleges and Universities were eagerly participated the webinar. The sessions were more interactive. The participants appreciated the webinar and gave feedback that the webinar is a virtuous platform to update and enrich their knowledge also helpful for further research.
