## About the College

St. Mary's College (Autonomous), a premier institution of higher education, founded by the Congregation of Mother of Sorrows servants of Mary in the year 1948, plays a significant role in shaping the destiny of innumerable young coastal women in and around Thoothukudi. With a proud legacy of 73 years, the college has excelled in every discipline keeping in pace with the global trends in the academia. The college, affiliated to Manonmaniam Sundaranar University, has attained Autonomous Status in the year 2009. Recognizing the great potential within the campus, the NAAC has reaccredited the institution with 'A+' grade in its fourth cycle.

## About the Department

PG Department of Computer Science (SSC) was established in 2016. The department offers a two year postgraduate course in Computer Science. This M.Sc. programme motivates a student to discover the science perspective of the computer science discipline including fundamental computing sciences and advanced future technologies. The Mission of the department is to provide learning ambience with professional training to create and apply knowledge of computer science in various fields and to impart necessary skills to develop innovative products and moral values to find solutions to real life problems.
