➤ Empowering Women

St. Mary's College, for the past 75 years has done yeoman service to the society by transforming the lives of the young women belonging to the marginalised and downtrodden sections of the society. The Congregation of Mother of Sorrows, Servants of Mary through their educational mission of empowering women brought in knowledge revolution in Thoothukudi which resulted in Thoothukudi earning the second place in the Human Development Index in Tamil Nadu next to Chennai. St. Mary's expands education as a tool for elevating one's potential for progression, one's social credibility, improving one's lifestyle and thus enriching the family life and the society at large. St. Mary's began its illustrious journey in the year 1948 with 21 students in St. Aloysius school campus. Cajoling and coxing the unconvinced parents who were afraid to take a bold step regarding their girl children's prospects for education in the post independent era. Now, the institution has grown into a mighty oak with more than 31089 UG Graduates and 5,541 PG Graduates and 753 Scholars who have passed out from this significant institution and with the introduction of new courses, training programmes, and extension activities it relates the local environment to the global community.
