Women's Cell	

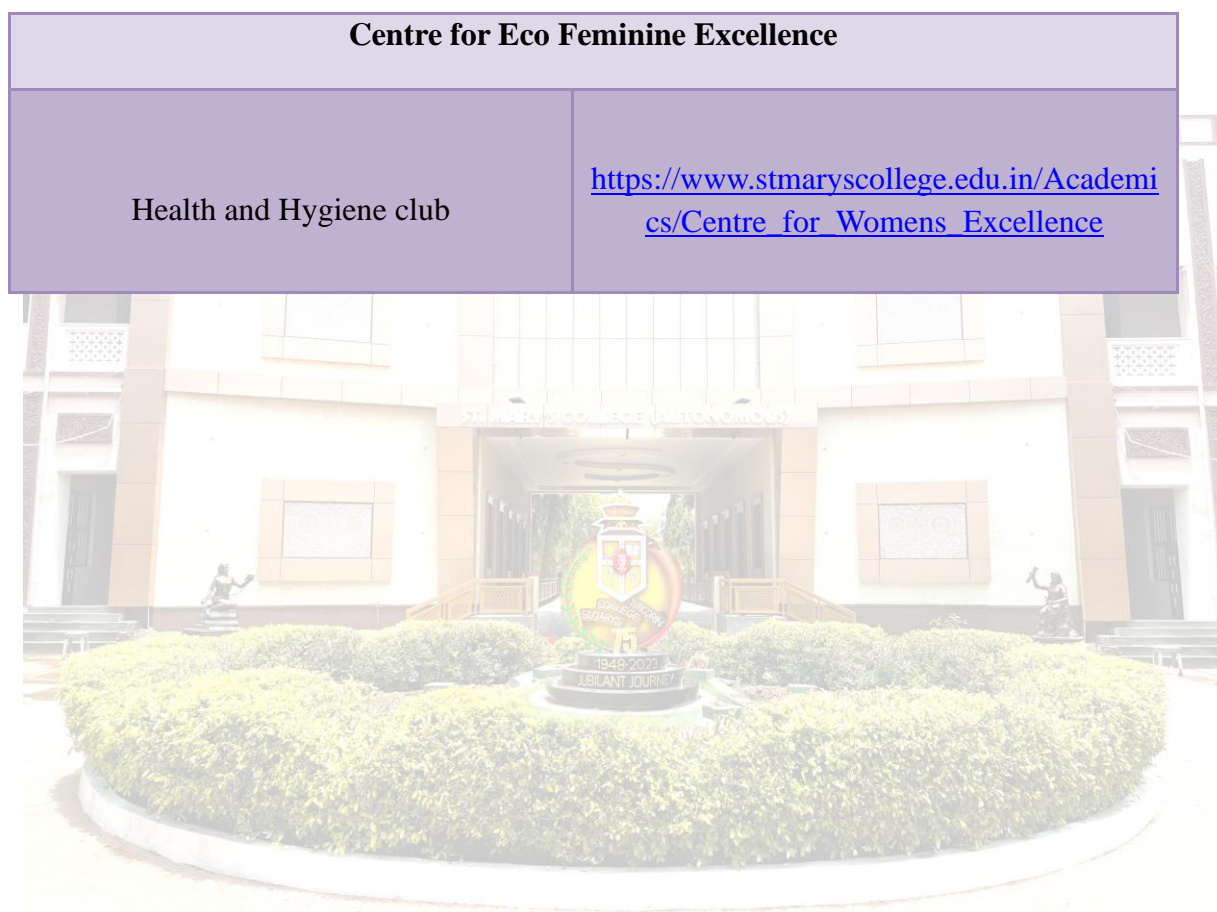

Anti Sexual Harassment, Anti Ragging, Human Rights Forum and Women's Cell are established to enhance understanding of issues related to women. These cells create awareness about the rights and responsibilities of women in the society and encourage them to fight for their own problems. The cells strive to promote a culture of respect and equality for female gender. The young women are educated to develop assertiveness, optimism and emotional maturity to deal with their day-to-day problems. Guest lectures, seminars, workshops, awareness programmes and other welfare activities are arranged by the Cells to empower women students.
