Physics	Strongly agree	Strongly agree	Strongly agree	Strongly agree	Strongly agree	Strongly agree	Very satisfied	The session was very useful to be honest, I took part very actively . The dance & clapping games were very fun. The talk about how one should love themself for who they are and they shouldn't change themselves is the highlight. I was very happy to listen as I prefer listening instead of talking . I'm aware of how one shouldn't share unwanted pics to someone even I trust them too. The talk was interesting and interactive instead of listening equations and theories . I am very glad to be part of listening the session. Thank you
